REVISED SCHEDULING ORDER

Based on comments received from the parties in this docket in response to the Public Service Board Clerk's memorandum of June 7, 2011, I proposed a revised schedule for the remaining proceedings in this docket by memorandum dated August 22, 2011. None of the parties filed any objections to the proposed schedule prior to the September 7 deadline for comments set forth in the memorandum. However, this proposed schedule was never formalized by Order.

On September 20, 2011, Okemo Realty, Inc. ("ORI") filed a request that the parties be allowed to file additional prefiled testimony until September 29, 2011.¹ On September 22, 2011, Ledgewood on Okemo Condominium Owners Association ("Ledgewood") filed supplemental testimony and stated that it had no objection to ORI's request for a September 29 deadline for filing any additional prefiled testimony. The Department of Public Service has indicated that it does not intend to prefile any testimony in this proceeding.

1. In its request, ORI referenced, among other things, the recent flooding and its effect on Ludlow and its counsel's offices. Under the proposed revised schedule, the deadline for additional prefiled testimony was September 19, 2011.

Based on the filings by ORI and Ledgewood and the need to adjust other dates in the proposed schedule consistent with the extension of the deadline for additional prefiled testimony, I adopt the following revised schedule for the remaining proceedings in this docket:

Deadline for additional prefiled testimony	September 29, 2011
Discovery requests on prefiled testimony due	October 11, 2011
Discovery responses due	October 27, 2011
Technical Hearing	Week of November 7 or 14, 2011
Briefs	Two weeks after technical hearing
Reply Briefs	Three weeks after technical hearing

SO ORDERED.

Dated at Montpelier, Vermont, this 26th day of September, 2011.
